Agreements

5. Section 13 of the said Act is replaced by the following section:

"13. The Minister may, for the carrying out of his functions, enter, according to law, into an agreement consistent with the interests of Québec with a government other than that of Québec, any department of that government, an international organization or an agency of that government or organization."

c. M-24,
s. 14,
replaced

6. Section 14 of the said Act is replaced by the following section:

Annual
report

"14. The Minister shall, for each fiscal year, table, within six months from the end of such year, a report of the activities of the Ministère des Communications in the National Assembly if the Assembly is in session or, if it is not sitting, within thirty days after the opening of the next session or resumption."

c. M-24,
Chapter II,
added

7. The said Act is amended by inserting, after section 14, the following chapter:

"CHAPTER II**"FUNCTIONS AND POWERS OF THE MINISTER**

Functions

"14.1 The Minister is responsible for communications in Québec and for seeing to it that cultural, social and economic progress is achieved in that field.

Policies

"14.2 The Minister shall devise policies in matters of communications and propose them to the Government, shall use appropriate means to implement them and shall coordinate their implementation.

Compliance

He shall see to it that the laws and regulations respecting communications are complied with.

Duties

"14.3 The Minister shall, more particularly, within the scope of his functions and powers,

(1) facilitate relations between the State and the population, especially by promoting the diffusion of information concerning the services offered by the Government, departments and public bodies;

(2) promote the diffusion of information and documents of public interest produced and held by departments and public bodies;

(3) support the development of Québec expertise in the field of communications and foster its dissemination;

(4) promote the development of original and diversified productions in the field of communications;

(5) foster, in cooperation with the other interested departments and bodies, the development of communication enterprises in and outside Québec;

(6) promote the implementation of communications technology susceptible of fostering cultural, social and economic progress;

(7) participate in the development of communication systems in all regions of Québec;

(8) coordinate, with the cooperation of the secrétariat du Conseil du Trésor, the activities of the Government and departments and of public bodies designated by the Government, particularly in matters of telecommunications, data processing, advertising and exhibitions;

(9) offer to the departments, public bodies and other bodies designated by the Government communication services in related fields such as telecommunications and data processing, the printing, publication, distribution and marketing of documents produced by or for the departments and public bodies as well as media booking and audiovisual services;

(10) see to the management of copyrights held by the Government, the departments and the public bodies designated by the Government in respect of documents and see to it that the standards established jointly with the Minister of Cultural Affairs for the acquisition, use and management of copyrights are complied with;

(11) submit to the Government proposals as regards the emblems of Québec and propose standards applicable to the signature of the Government and to the visual identification of departments and the public bodies designated by the Government, see to it that the standards are complied with, and coordinate their implementation;

(12) conduct or commission research, studies, surveys and inventories in matters of communications;

(13) advise the Government and, on request, departments and public bodies, with respect to the type of communications services or equipment required for their activities;

(14) perform the other duties conferred on him by the Government.

Inter-
governmental
policy

The functions and powers assumed by the Minister under subparagraphs 3 and 5 of the first paragraph shall be exercised within the scope of the Canadian intergovernmental affairs policy and the international affairs policy.

Emblems

Before proposing an emblem for Québec, the Minister shall cause a notice to be published in the *Gazette officielle du Québec*. The notice shall indicate, in particular, the date fixed for its presentation and the fact that any interested person may, before that date, submit observations to the person designated therein.

Proposal

No emblem may be proposed before the expiry of a period of 45 days from the day of the publication in the *Gazette officielle du Québec* or before the expiry of the period mentioned in the notice.

"Les Publications du Québec"

"14.4 The functions assigned to the Minister under subparagraph 9 of the first paragraph of section 14.3 in respect of the printing, publication, distribution and marketing of documents and the functions assigned to him under section 17.1 shall be exercised under the name of "Les Publications du Québec"."
