11.	TM:	Nothing, I want to meet that guy today, euh.	
12.	NR:	Yeah, I'm meeting him at four, 'cause he's working all day.	
13.	TM:	At what time?	
14.	NR:	Around four, four thirty.	
15.	TM:	So what do I tell our friend Mike Argento?	
16.	NR:	What do you tell him? That I'm working on an investor, but what does he want to do? We got to find investors here, right?	
17.	TM:	Right.	
18.	NR:	I mean what else can we tell him? Unless he's got one too?	
19.	TM:	No, Mike's got fuck all.	
20.	NR:	If he's got one, then you know I mean the more the merrier, 'cause we don't know if this guy is going to bite, you understand what I'm trying to say.	
21.	TM:	Yeah, yeah.	

22.	NR:	So, I got somebody else also in mind and euh, and like I said though it's going to take at least, like today this guy we'll start, we'll work on this guy.	00:01:00
23.	TM:	Right.	
24.	NR:	And then euh if he doesn't seem too keen about it then I'm going to need a day or two more like on Monday or Tuesday for the other guys, You understand? But we'll try to convince him this guy, you understand?	
25.	TM:	Yah, so at four o'clock not before?	
26.	NR:	He finishes at work euh, he finishes, he is running a company the guy you understand?	
27.	TM:	Should we go to his office me and you?	
28.	NR:	We can go to his office or euh, we were meeting, me, he, we cause they had told him that we we're going to meet at Sotto you know.	
29.	TM:	Yeah, so.	
30.	NR:	And, we can meet at Sotto, you understand if you want at around five o'clock.	
31.	TM:	Oh at five.	
32.	NR:	Well he's coming around four, four fifteen, four thirty. I'm telling you five it could be earlier. We'll call him up and will see how his schedule is, maybe he'll be there earlier.	
33.	TM:	You confirmed with him already?	
34.	NR:	Hey? Confirmed four, four thirty not a problem.	
35.	TM:	Ok. What about the other guy? Wanna speak to the other guy too, that you might have in mind?	00:02:00
36.	NR:	Who? The other guy I gotta call somebody else, you understand? And he's gotta get a hold of them.	
37.	TM:	So one guy.	
38.	NR:	So I'll try to get a hold of that guy and see what's the story.	
39.	TM:	Ok.	
40.	NR:	If he can get a hold of them and make an appointment today, you understand? But I wanna go with this guy first because this guy I know him. I know him personally. The other guys are investors, I don't know who the fuck they are. I know they got money you understand?	
41.	TM:	Ok.	
42.	NR:	But this guy I know personally.	
43.	TM:	Ok.	
44.	NR:	Ok, so that's why I don't wanna, let's say.	
45.	TM:	Ok gonna tell, I'm gonna tell Mike it might take a few extra days, but Mike is gonna say but where the money come, you know how Mike is hey?	
46.	NR:	Hey? But where's the money hey? Call him into the office or have him call me, listen, listen does he want to or he doesn't wanna go ahead with it or does he got other plan?	
47.	TM:	Does he want to what?	

48.	NR:	Meaning going ahead with this project?	
49.	TM:	He, him he wants to go ahead but like to go ahead by himself if we don't come up with the money.	
50.	NR:	Yah but how by himself. Let us know how? What do you mean how? <i>From now on</i> you're in it what do you mean by himself.	
51.	TM:	That's right, that's [inaudible].	
52.	NR:	Or without us?	00:03:00
53.	TM:	Umh umh.	
54.	NR:	You know what I'm trying to say? I don't know ah, does he have other plans?	
55.	TM:	He, he like to do it on his own but I told Mike you can't do it on his own.	
56.	NR:	But you want me to call him?	
57.	TM:	But Mike said we have a deadline, un- until euh the end of the month, 31 st is on Tuesday.	
58.	NR:	Yeah but I know, but the end of the month you just fucking told me Tony it was yesterday.	
59.	TM:	I know but you know what we are going to do Nick?	
60.	NR:	Yeah.	
61.	TM:	We are going to speak to the guy tonight and then we are going to call Mike tomorrow.	
62.	NR:	Yeah or else call him up Mike, or else, actually my father had told me to give him a call for some other thing, I don't even have his fucken, I don't have his number. You have it you?	
63.	TM:	He, yeah, sure I have it.	
64.	NR:	Ok give it to me?	
65.	TM:	■■■■ I think it's, hold on a second, ■■■■	
66.	NR:	Hold on.	
67.	TM:	■■■	
68.	NR:	Ok.	
69.	TM:	■■■■■■■■■■	
70.	NR:	■■■■■■■■■■.	
71.	TM:	I think so. If that's not the number call me back I'll go look for.	
72.	NR:	Ok, then I'll call you back, 'cause after you get a hold of them, we'll get together.	
73.	TM:	Ok, you, you, he's gonna tell you yah.	
74.	NR:	I won't even mention this, don't mention it to him.	00:04:00
75.	TM:	Yah alright no, don't mention it to him nothing.	
76.	NR:	(Laugh)	
77.	TM:	Listen to me you know why Nick? I don't want to mention him nothing?	
78.	NR:	No why?	
79.	TM:	Because he might screw things up, Mike, you understand?	

80. NR: Yeah.

81. TM: Once we, if we have the guy.

82. NR: Why he's like Jimmy?

83. TM: Yeah like a little bit, but he's a little bit better than Jimmy.

84. NR: (Laugh)

85. TM: He's a little bit better.

86. NR: Ok, alright.

87. TM: Because he was trying to convince me on Tuesday that I shouldn't go in the deal you know?

88. NR: But why? I don't get it.

89. TM: Ah.

90. NR: He doesn't see a return on it? What?

91. TM: Sure he does, sure he does, sure he does but he, he's probably saying to me, he's saying do the port, leave that alone, I don't know what he told Giorgio, you understand?

92. NR: Yeah.

93. TM: So what I would like to do.

94. NR: But I mean then, then, then, it was him that brought in Giorgio also to this project or not?

95. TM: No, no, I brought Giorgio into this project.

96. NR: You brought Giorgio in.

97. TM: Yeah, but then when we had the problems Mike called him back, you understand?

98. NR: When we had the problem with the port you're saying?

99. TM: No when we had the problem that he wanted to keep the project without me, your dad and Mike called him back to discuss it.

100. NR: Oh, oh, Ok and what did they, what did they conclude?

101. TM: They concluded that we had until the end of March to find the money but if we need an extra week it's not the end of the world.

102. NR: Oh Ok, so go ahead with it, if the funds were found then you would get on, on board on this project? Correct?

103. TM: That's right, that's right.

104. NR: So basically, that's all it was discussed?

105. TM: That's all and, and we know who's, and we know who's well he gets, there's a penalty.

106. NR: Yeah because they figured, they figured maybe the problem on the port wasn't going to be resolved maybe also you understand?

107. TM: No, no, no, it wasn't that, two separate files.

108. NR: Two separate files.

109. TM: There was a penal, yeah, there was a penalty that if Giorgio comes back in we give him a million and a half in condominiums on our shares you understand.

00:05:00

110.	NR:	Ok, Ok, Ok, Ok, Ok.	
111.	TM:	It wasn't a problem. Your dad said Ok.	
112.	NR:	Yeah, yeah.	
113.	TM:	That wasn't the problem, there's enough juice in the, in the, in the deal you understand?	
114.	NR:	Yeah, yeah, yeah, but listen I went over the numbers, hey, and it wasn't 66 return on it, it's 55.	
115.	TM:	No those are, those are, those are the old numbers, that's why he never gave me the new numbers, the new numbers are 66.	00:06:00
116.	NR:	Ah.	
117.	TM:	I'm gonna try to get all, I'm gonna try to get all the numbers today.	
118.	NR:	Ok, Ok, Ok, Ok.	
119.	TM:	With all the new numbers for the meeting. [FIN]	00:06:10
