Contenu de la conversation

1. Irvinghim and I had an understanding, and I (inc) understanding has to work with you and not with (inc). The project you're asking for is not an easy project, and before I start, I want to tell you, that you have to " keep this quiet "; if you talk about (inc.) to people, the project is over, right now. I'm not doing this for myself, I'm doing this for our Party, and it has to be kept quiet. Do you know the understanding I had with the other guy, (inc) speak to (inc.)...., and he's going to say yeah well, "honor it". Before the thing is changed, it has to be (looked at (phon)). Ah well (inc) before you (inc...) The only thing I'm worried about, is that you don't know how sharp this guy is.....is, is he wired?	00:01:00
2. René	(inc)	
3. Irving	Does he have a recorder?	
4. René	(inc) don't know?	
5. Irving	don't mention numbers, take a piece of paper out, and just write down, and make sure he doesn't pick the paper.	
6. René	hum hum	
7. Irving	don't mention numbers, try to talk as little as possible, but be straight with the guy and be strong with the guy. If not, if we don't get it before, René, we are going to have to run our ass off, and we won't get it.....	

8. René	non,non what bothers me the most.....
9. Irving	Is the priest
10. René	how come the priest is aware of that.....
11. Irving	well usually
12. René	it's the contractor
13. Irving	ben oui
14. René	(inc) themselves what we wanted, its difficult, we'll put in some money, the priest will never know, nobody will know
15. Irving	that's right
16. René	ehh
17. Irving	non , that doesn't smell good
18. René	non
19. Irving	and you're out can be "well, we'll study it again...it may take a year.....we'll study it". That's an easy out.....(inc.)....
20. René	non
21. Irving	don't get yourself into a jackpot
22. René	it's not the point. The point is, that they know we have made certain arrangements
23. Irving	you don't know who knows, you know the guy you spoke with
24. René	(inc)
25. Irving	but you don't know who he spoke with
26. René	ya
27. Irving	right now, it seems the Priest knows.....who else knows.....

00:02:00

28. René	And if the priest knows, then you got alot of (inc) in their Community, and it could block the project, then we have people on our back (inc)	
29. Irving	(inc)	
30. René	money (inc) bang bang banb bang	
31. Irving	René , as far as I am concerned, o.k., I'm a little older than you are, I would rather lose the next election, than get caught in the jackpot	
32. René	(inc) ben oui.....usually.....	
33. Irving	it's your choice, it's your choice, I'm telling you, and don't worry about the people, cause the people don't worry about you. You have to protect yourself. You went in like a man, you want to honor what you said you were going to do, (inc.) honor it, and move forward. And the guy agreed to it. Now, why did they fire him? Did he tell them its going to be a hundred and fifty, and (inc.) to be seventy-five.....	00:03:00
34. René	non non	
35. Irving	(inc)	
36. René	(inc) he's got caught in bottlelegging

39. Irving	they got rid of him	
40. René	nobody wanted to deal with him anymore	
41. Irving	(inc) but the problem (inc) its too, its going to cost a hundred, and (inc) wants to take twenty-five for himself. For a hundred an fifty, (inc)
