Bill 203

(Private)

An Act respecting Ville de La Baie

WHEREAS it is in the interest of Ville de La Baie and necessary for its proper administration that the city be granted powers relating to its industrial development;

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

1. Ville de La Baie may, by by-law, order the construction of a railway siding in the territory described in the schedule.

2. The council may, for the purposes set out in section 1, acquire by agreement or by expropriation such immovables, servitudes and other rights as are necessary.

3. Sections 573 and 573.1 of the Cities and Towns Act (R.S.Q., chapter C-19) do not apply to contracts awarded by the city for the construction, repair and maintenance of the railway siding constructed pursuant to section 1.

4. The unsubsidized part of the construction cost of the private railway siding referred to in section 1 shall be charged upon all taxable immovables of the city.

Any special tax ordered in a loan by-law passed for that purpose shall be levied on the immovables on the basis of their value as entered on the assessment roll in force each year.

5. The city may, by by-law, impose a compensation for the use of the railway siding to cover maintenance, repair and insurance

costs and other current expenditure. Such compensation may be based on the annual tonnage of merchandise transported or on other criteria determined by the council.

6. This Act comes into force on (*insert here the date of assent to this Act*).
