**Bill 219**  
**(PRIVATE)**

An Act respecting Québecair — Air Québec

WHEREAS Québecair Inc., whose name was changed to that of Québecair — Air Québec on 29 June 1964, is a corporation resulting from the amalgamation of Rimouski Airlines Ltd — Air Rimouski Limitée and Aviation du Golfe Inc. — Gulf Aviation Inc., effected on 31 December 1952;

Whereas, from its incorporation, it has always operated as an air carrier and whereas it has used its funds for the purchase of shares of other companies;

Whereas its instrument of incorporation does not provide that it may exercise the activities of an air carrier and whereas neither its instrument of incorporation nor its by-laws authorize it to use all or part of its funds for the purchase of shares of other companies, it is expedient to remedy those omissions;

HER MAJESTY, with the advice and consent of the National Assembly of Québec, enacts as follows:

**1.** Québecair — Air Québec has the power to exercise the activities of an air carrier and is authorized to use all or part of its funds to purchase shares of other companies, to sell or otherwise dispose of them.

**2.** This Act has effect from 31 December 1952.

**3.** This Act comes into force on the day of its sanction.
