EXPLANATORY NOTES

This bill modifies the concept of total revenue used in the computation of work income supplements, so as to exclude the amounts received under the program of grants for children in day care centres established under the Act respecting health services and social services (R.S.Q., c. S-5) or the program established by the Act respecting child day care (1979, c. 85).

The bill applies to an amount received after 1977.
