## **Bill 273**

**(PRIVATE)**

### **An Act to amend the Central Québec Industrial Park Corporation Act**

WHEREAS the Central Québec Industrial Park Corporation Act provides that “No by-law made or resolution passed by the town of Bécancour providing for the levying of a real estate tax, a business tax or any tax assimilated to a real estate tax, and no resolution of a school board whose territory is situated in whole or in part within the limits of the town of Bécancour providing for the levying of a real estate tax shall come into force and become executory before submission to the Québec Municipal Commission and approval by the Lieutenant-Governor in Council.

Upon receipt of such a by-law or resolution, the Québec Municipal Commission shall examine it and give its advice thereon to the Minister of Industry and Commerce.

The approval of the Lieutenant-Governor in Council may be partial or restrictive.”

Whereas, owing to the development of the central Québec industrial park, such provisions now hinder the proper administration of the affairs of the town of Bécancour and it is in the interest of the town that the said provisions be repealed;

Therefore, Her Majesty, with the advice and consent of the Assemblée nationale du Québec, enacts as follows:

**1.** Section 25a of the Central Québec Industrial Park Corporation Act (1968, chapter 60), enacted by section 4 of chapter 63 of the statutes of 1971, is repealed.

**2.** This act comes into force on the day of its sanction.
