**An Act respecting certain assessment rolls
drawn up under the responsibility of
Municipalité régionale de comté de Portneuf**

Introduction

**Introduced by

Minister of Municipal Affairs**

**Québec Official Publisher
1996**

EXPLANATORY NOTES

This bill amends the length of time for which certain assessment rolls drawn up under the responsibility of Municipalité régionale de comté de Portneuf are to remain in force.

Three of the rolls currently in force will remain in force for an additional year, another roll also in force will cease to have effect one year earlier than scheduled and a fifth roll, to come into force on 1 January 1997, will remain in force for two years rather than three.

As a consequence, the bill adjusts the three-year cycles for which the rolls subsequent to the rolls whose periods of application are changed by this bill are to be drawn up.
