

NATIONAL ASSEMBLY

SECOND SESSION

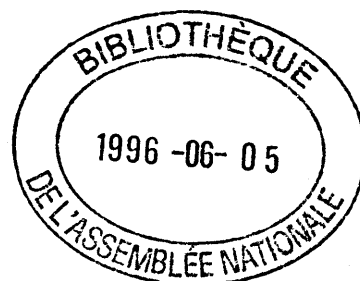

THIRTY-FIFTH LEGISLATURE

Bill 201
(Private)

An Act respecting Ville de Lévis

Introduction

Introduced by
Mr Jean Garon
Member for Lévis

**Québec Official Publisher
1996**

Bill 201

(Private)

An Act respecting Ville de Lévis

WHEREAS it is in the interest of Ville de Lévis and necessary for its proper administration that the city be granted certain powers relating to its industrial development;

Whereas the city intends to construct railway sidings to foster industrial development and the servicing of industries situated on its territory;

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

1. Ville de Lévis may, by by-law, order the construction of railway sidings with a view to fostering its industrial development.

It may also order the construction of a part of a railway siding on the portion of the territory of Municipalité de Saint-Joseph-de-la-Pointe-de-Lévy described in the schedule.

2. The city may, for the purposes set out in section 1, acquire by agreement or by expropriation such immovables, servitudes, rights of superficies and other rights as are necessary.

3. The Government may authorize the city to modify the right of way plan of the part of the railway siding situated on the territory of Municipalité de Saint-Joseph-de-la-Pointe-de-Lévy.

The Government may also authorize the city to acquire by agreement or by expropriation such immovables, servitudes, rights of superficies and other rights as are necessary to such modification.

4. The unsubsidized part of the construction cost of a railway siding referred to in section 1 shall be charged upon all taxable immovables within the territory of the city.

Any special tax ordered in a loan by-law passed for that purpose shall be levied on the immovables on the basis of their value as entered on the assessment roll in force each year.

5. In addition to its tariffing powers under the Act respecting municipal taxation (R.S.Q., chapter F-2.1), the city may, by by-law, impose a compensation for the use of a railway siding to cover maintenance, repair and insurance costs and other current expenditure. Such compensation may be based on the annual tonnage of merchandise transported or on other criteria determined by the city.

6. This Act comes into force on (*insert here the date of assent to this Act*).

SCHEDULE

Description of railway land situated in
the parish of Saint-Joseph-de-la-Pointe-
de-Lévy

With reference to the cadastre for the parish of Saint-Joseph, in
