EXPLANATORY NOTES

The object of this bill is to amend the Act respecting the disclosure of the compensation received by the executive officers of certain legal persons so as to require a federation governed by the Savings and Credit Unions Act to include in its annual report a statement of its five most highly compensated executive officers.

The bill also requires a federation of cooperatives, the Coopérative fédérée de Québec and a mutual insurance association to include that information in their annual reports.

Finally, the bill proposes a technical amendment concerning the administration of the Act respecting the disclosure of the compensation received by the executive officers of certain legal persons.
