RAPPORT DE L'AUDITEUR DE LA PROVINCE

Exercice financier 1945-46

Conformément à la Loi de la vérification des comptes, je sou mets ci-après mon rapport relatif à l'exercice terminé le 31 mars 1946.

Le résultat des opérations démontre un surplus de revenu de \$1,790,494.55 sur les dépenses de toute nature. Tel qu'en fait foi l'état des Revenus et Dépenses, les revenus de la période se sont élevés à \$110,321,293.22 et les dépenses de toute nature à \$108,530,798.67, à comparer à des revenus de \$96,455,703.28 et à des dépenses de \$104,433,258.65 pour l'exercice précédent, soit une augmentation de \$13,865,589.94 dans les revenus et de \$4,097,540.02 dans les dépenses.

Les états principaux et annexes ci-après sont préparés en la forme habituelle:

REPORT OF THE PROVINCIAL AUDITOR

Fiscal Year 1945-46

In conformity with the provisions of The Audit Act, I beg to submit hereafter my report for the fiscal year ended March 31, 1946.

This year's operations resulted in an over-all excess of revenues over expenditures of \$1,790,494.55. As shown by the Statement of Revenue and Expenditures, the revenues of the period reached \$110,321,293.22 and the expenditures of all nature \$108,530,798.67, as compared with revenues of \$96,455,703.28 and expenditures of \$104,433,258.65 for the previous year, that is an excess of \$13,865,589.94 of revenues and of \$4,097,540.02 of expenditures.

The following principal statements and schedules are presented in the usual form:

BALANCE SHEET:

The various items of Assets or Liabilities are detailed in Schedules A-1 to A-18, pages 20 to 38.

An analysis of the changes that occurred during the course of the period under review is shown in Schedule A-1; at this point, I wish to set forth that, as a consequence of a survey of the disbursements incurred under the Unemployed Aid Act, from 1931 to 1944, it was judged necessary to classify as Extraordinary Expenditures a sum of \$32,890,028.76 which had previously been inscribed to the item "Public Works and other Assets", under caption "Capital Expenditures", appearing in Schedule A-6, year 1945, for a total of \$42,994,217.80. Bearing in mind subsequent entries aggregating \$510.60, the balance of this

cet article, \$10,104,699.64, a été réparti sous d'autres titres existant déjà pour la plupart. Cette rectification ne change en rien le résultat de l'année, mais permet une meilleure appréciation de la valeur qu'on doit donner aux divers articles apparaissant au bilan.

La dette nette, tel qu'en fait foi le bilan, s'établit à \$299,412,173.00 à la date de la fermeture des livres, à comparer à \$308,243,440.96 l'année précédente.

Les émissions d'obligations rachetées durant le cours de l'année sont de \$23,970,000.00 (annexe C-22, page 2), alors que les nouvelles émissions sont au total de \$30,000,000.00, le détail de ces dernières apparaît à l'annexe A-16, sous le titre "Dettes consolidées".

En vue de compenser partiellement l'insuffisance des réserves des fonds d'amortissement, une somme de \$900,000.00 a été réservée en fin d'année pour placement en 1946-47, tel qu'il appert au bas de l'annexe A-10.

Le détail des valeurs détenues pour les divers fonds d'amortissement est donné à l'annexe A-17; addition faite des primes à la valeur au pair, le total est de \$70,474,000.86 et se répartit comme suit:

		%
Province de Québec.....	\$61,540,589.51	87.32
Dominion du Canada.....	1,841,108.32	2.61

L'allocation de \$150,000.00 en faveur des Commissaires du Havre de Montréal, prévue au budget du département des Travaux publics et autorisée par la loi 16 Geo. V, c. 2 (1926), concernant le pont Montréal-Longueuil, n'a pas été payée et n'est pas non plus comprise dans les comptes à payer au Bilan.

REVENUS:

Le tableau des revenus est donné à la page 6 et le détail par département aux annexes "B", pages 45 et suivantes.

La catégorie de ces revenus, leur pourcentage respectif, le montant de l'année en cours et l'augmentation sur l'année précédente sont comme suit:

item, \$10,104,699.64, has been distributed under other headings already existing for the most part. This rectification does not alter in any way the result of the year, but permits a better appreciation of the value that should be allowed for the various items appearing on the Balance Sheet.

As attested by the Balance Sheet, the net debt of the Province stood at \$299,412,173.00 at the date of the closing of the books, as compared with \$308,243,440.96 for the previous year.

Bonds redeemed during the year aggregated \$23,970,000.00 (Schedule C-22, page 2), while the new issues reached \$30,000,000.00, the details of the latter being given in Schedule A-16, under caption "Funded Debt".

With a view to compensate partly for the insufficiency of the reserve for Sinking Funds, a sum of \$900,000.00 has been set aside at the end of the year for investment in 1946-47, as shown at the end of Schedule A-10.

The securities held for the various sinking funds are detailed in Schedule A-17, the total of \$70,474,000.86, with the adjustment of premiums added to par value, being distributed as follows:

		%
Province of Québec.....	\$ 61,540,589.51	87.32

Miscellaneous.....	2,263,412.40	3.22
	70,474,000.86	100.00

The contribution of \$150,000.00 to The Harbor Commissioners of Montréal, provided for in the estimates of the Public Works Department and authorized by the Act 16 Geo. V, c. 2 (1926), concerning the Montréal-Longueuil Bridge, has not been paid and is not comprised in the accounts payable of the Balance Sheet Statement.

L'impôt sur la vente au détail, perçu pour le compte de divers groupes de municipalités, leur a rapporté la somme de \$8,865,540.55, suivant détails à l'annexe C-22, page 4.

A summary of the Expenditures by relative departments is shown in the Statement of Revenue and Expenditures, page 8, the details for each budgetary item being given in Schedule "C" of each department.

A general summary of the Expenditures classified by character appears on page 11 for the information of those interested in the Governmental expenditures as a whole.

En ce qui a trait aux contrats d'achat de matériaux, équipement ou marchandises, je pourrais répéter ce que je disais antérieurement concernant les contrats et le Service des Achats qui n'est pas efficace, en ce qu'il ne groupe pas les commandes et ne prend pas avantage des prix de quantités sur les marchandises dont il doit pourvoir les départements dans une période de temps déterminée; la grande partie des achats se font au prix du détail. Il serait recommandable que les méthodes du commerce soient adoptées.

Un petit nombre de fonctionnaires incapables de remplir leurs fonctions pour cause d'infirmité corporelle, mentale ou autre, reçoivent encore des traitements entiers ou réduits. Je rappelle de nouveau que seule la Loi des pensions permet une compensation dans ces cas. Il devient de plus en plus urgent que des règlements soient promulgués pour que soit faite l'inscription des présences et des absences des employés et que soit délimitée la juridiction des chefs ou sous-chefs, en ce qui concerne l'allocation de congés.

DIVERS:

Les états financiers des organismes gouvernementaux que nous avons vérifiés sont reproduits aux annexes suivantes:

Annexe

- D-8 — Commission du Salaire Minimum;
- D-9 — Commission des Accidents du travail de Québec;
- D-10 — Syndicat national du rachat des rentes seigneuriales;
- D-11 — Raffinerie de sucre de Québec, à St-Hilaire;
- D-12 — Office du crédit agricole du Québec.

Le but de chacun de ces organismes est exposé à la loi qui les régit, la référence statutaire est donnée aux en-têtes des annexes.

Les opérations de fabrication à la Raffinerie de sucre ont été, en 1945, encore moindres que l'année précédente; il a été usiné 9,845 tonnes de betterave, à comparer à 16,260 tonnes en 1944. La production du sucre n'a été que de 1,739,100 livres. La perte de l'année est de \$409,876.78.

Les divers états financiers annexés au présent rapport représentent fidèlement la situation financière qu'ils ont pour but d'exposer, tel que nous avons pu nous en rendre compte au cours de nos vérifications et suivant les règles de pratique d'usage reconnu.

A. J. DOLBEC, C.A.,

Auditeur de la province.

Québec, le 18 février 1947.

Referring to contracts for purchase of materials, equipment or merchandise, I would reiterate the remarks made previously in connection with the Purchasing Service which lacks efficiency in that it does not consolidate orders nor take advantage of quantity prices on goods to be supplied to departments within a fixed period of time; as a consequence, the majority of purchases are made at retail prices. Regular business practice should be followed.

A small number of functionaries, unable to fulfill their duties through physical or mental infirmity, or other reasons, still receive salaries paid them in full or in part. I wish to recall that in such cases the Pension Act alone provides for the payment of a compensation. It is becoming more and more necessary that regulations be enacted to provide for the inscription of presences and absences of employees and to delimit the jurisdiction of the heads and deputy-heads insofar as the granting of leaves of absence is concerned.

MISCELLANEOUS:

The financial statements of the Commissions and Bureaus which have been audited by our Office are reproduced in the following Schedules:

Schedule

- D-8 — Minimum Wage Commission;
- D-9 — Québec Workmen's Compensation Commission;
- D-10 — "Syndicat National du rachat des rentes seigneuriales";
- D-11 — Québec Sugar Refinery, at St. Hilaire;
- D-12 — Québec Farm Credit Bureau.

The purposes of each one of these Commissions and Bureaus are determined by the law governing them, the relative statutory reference heading each statement.

The manufacturing operations of the Sugar Refinery have still been smaller in 1945 than in the previous period, only 9,845 tons of beet having been treated, as compared with 16,260 tons in 1944. The production of sugar has only reached 1,739,100 pounds. The loss of the year is of \$409,876.78.

The various financial statements annexed to the present report represent truly the financial position they are intended to present, insofar as we have been able to ascertain in the course of our audits and in conformity with accepted accounting principles.

Dette nette — Net Debt:

Dû à la province — Due the Province..... 2,549,213.61

Montant capitalisé, pour la période 1867-1873, découlant de la revision de la dette allouée aux provinces de Québec et d'Ontario par l'art. 112 de l'Acte de l'Amérique Britannique du Nord (voir 36 Vict., c. 30 et 47 Vict., c. 4). L'intérêt est payé semestriellement au taux de 5%.

Capitalized amount for period 1867-1873, due to the revision of the debt allowed to the Provinces of Québec and Ontario under art. 112 of the British North America Act (See 36 Vict., c. 30 and 47 Vict., c. 4). Interest at the rate of 5% is paid half-yearly.

Dû par la province — Due by the Province..... 1,473,609.63

Ce montant provient d'ajustements financiers datant de l'époque où la province entra dans la Confédération. L'intérêt est payé semestriellement au taux de 4%.

This amount results from financial adjustments dating back to the time the Province entered the Confederation. Interest at the rate of 4% is paid half-yearly.

1,075,603.98

Fonds commun des écoles — Common School Fund..... 1,253,173.60

Ce fonds a son origine en 1842. En 1893, il fut établi à \$2,457,688.62 par trois arbitres nommés à cet effet; on décida que ce fonds ne serait pas distribué et qu'un intérêt au taux de 5% serait versé semestriellement. La répartition fut faite entre Ontario et Québec sur la base de leur population et rajustée par la suite lors de chaque recensement.

This fund dates back to 1842. In 1893, it was established at \$2,457,688.62 by three arbitrators named for that purpose; it was decided that this fund would not be distributed and that interest at the rate of 5% be paid half-yearly. The apportionment between Ontario and Québec was based on their respective population and has been adjusted periodically after each census.

2,328,777.58

ANNEXE — SCHEDULE A-4

CONTRAT AVEC — CONTRACT WITH: LA BANQUE CANADIENNE NATIONALE.....

8,767,190.16

La Banque Canadienne Nationale, ayant pris avantage de l'article 3 de la loi 14 Geo. V, c. 3, a versé à la province le 31 décembre 1943, la somme de \$1,467,686.87, représentant tous les versements futurs.

Tenant compte de ce montant, des versements antérieurs et de l'intérêt accumulé, le fonds d'amortissement au 31 mars 1946 s'élevait à \$6,232,809.84. L'écart entre ce montant et \$15,000,000 représente les intérêts composés à 5% qui s'accumuleront d'ici l'échéance en 1964. Le taux de rendement moyen sur les placements du fonds est d'environ 4% et la tendance est à la baisse; il en résulte donc que la province subit la perte de la différence entre le taux réel et celui de 5% fixé par la loi. Pour 1945-46, cette perte fut de \$68,607.75 et apparaît à l'Annexe C-21, page 4.

La Banque Canadienne Nationale, taking advantage of section 3 of the statute 14 Geo. V, c. 3, prepaid to the Province under date of December 31, 1943, the sum of \$1,467,686.87, representing all future instalments.

Including this prepayment, previous instalments and accumulated interest, the sinking fund, as at March 31, 1946, amounted to \$6,232,809.84. The difference between this latter amount and \$15,000,000 represents compound interest at the rate of 5% which will accumulate between now and 1964. The average interest yield on investments in the fund is approximately 4% and the trend for the future points towards a decreasing rate. The Province as a result suffers the loss of the difference between the actual yield and the rate of 5% set by law; for 1945-46, the loss amounted to \$68,607.75 as shown on Schedule C-21, page 4.

SCHEDULE A-6 (Continued)

Le Gouvernement de la province a pris possession, le 1er juillet 1940, des ponts Plessis-Bélair et DeBellefeuille, tel qu'autorisé par la loi 4 Geo. VI, c. 33. Lors de la fermeture des livres au 31 mars 1946, les prix d'achat n'avaient pas encore été définitivement établis.

Dans le cas du pont Plessis-Bélair, la Régie des services publics, par son ordonnance du 18 juin 1943, fixa le prix à \$109,899 et la Cour du Banc du Roi ayant maintenu cette décision par un jugement rendu le 27 avril 1945, la compagnie a maintenant porté la cause en appel devant la Cour Suprême. Le Gouvernement de la province a déjà versé aux expropriés, en acompte, une somme totale de \$167,000, soit un excédent de \$57,101 sur le prix déterminé à date.

The Government of the Province, on July 1, 1940, took possession of the Plessis-Bélair and DeBellefeuille bridges, under authority of the Act 4 Geo. VI, c. 33. When the books were closed on March 31, 1946, the purchase prices had not yet been definitely established.

Concerning the Plessis-Bélair bridge, the Public Service Board, by its Regulation of June 18, 1943, determined the price at \$109,899, the Court of King's Bench maintaining this decision by a judgment rendered April 27, 1945, which the company has appealed to the Supreme Court. The Government of the Province has already paid a total sum of \$167,000 to the litigants, an excess of \$57,101 over the price determined to date.
