Applicable
provisions

Article 964*f* applies to such corporation.

Applicability

(2) Article 10 of the said charter shall apply to the expressions “official supplier” and “official sponsor” or any analogous word or expression used with the expression “Vivre Montréal 1992”, “Montréal 1992”, “350ième anniversaire de Montréal”, “350ième anniversaire de la fondation de Montréal”, “Montréal, les fêtes de 1992”, “Les Fêtes du 350ième anniversaire de Montréal” or any analogous expression where the use of that expression in connection with an activity is likely to lead the public to believe that the person exercising the activity is an official supplier or official sponsor of the public events organized to commemorate the 350th anniversary of Montréal, where that is not the case.

Applicability

The same applies to the adjective “official” used with the expression “Vivre Montréal 1992”, “Montréal 1992”, “350ième anniversaire de la fondation de Montréal”, “Montréal, les fêtes de 1992”, “Les Fêtes du 350ième anniversaire de Montréal” or any analogous expression where the combined use of that adjective and that expression in connection with a product or service is likely to lead the public to believe that the product or service has received the approval of the city or the corporation contemplated by subarticle 1, where that is not the case.

Exemptions

57. The city of Montréal may, by by-law, exempt the occupants of residential immovables from the payment of the water-rate and

service tax for the fiscal years 1990 and 1991. In such case, the water-rate and the rate of the service tax shall not be greater, in respect of other categories of occupants, than the rate applicable to them for the fiscal years 1988 and 1989.

Adjustment
of rent

The tenant of a dwelling situated in an immovable comprising ten dwellings or more the water-rate and service tax of which were, before the fiscal years 1990 and 1991, included in his rent shall be entitled, on an application made to the lessor within twelve months after the passing of a city by-law exempting that category of occupants from the payment of the water-rate and service tax, to an adjustment of his rent, from 1 January 1990 or 1 January 1991, as the case may be, commensurate with the tax exemption granted under the first paragraph.

Adjustment
of rent

The Régie du logement shall have jurisdiction, to the exclusion of any tribunal, to hear any application for the adjustment of the rent of a dwelling contemplated in the second paragraph. Sections 56 to 90 of the Act respecting the Régie du logement (R.S.Q., chapter R-8.1), adapted as required, apply to such applications.

Adjustment

In no case shall the fact that a lease was signed after the coming into force of the by-law contemplated by the first paragraph prevent the tenant from obtaining an adjustment of his rent, unless the lessor proves that the exemption from the payment of the water-rate and service tax was taken into account in the fixing of the rent.

Surtax

58. For its fiscal years 1990 and 1991, the city of Montréal may, by by-law, impose and levy a surtax at a rate of not over \$0.10 per one hundred dollars of assessment on the immovables the taxable value of which entered on the assessment roll exceeds \$200 000 and that are classified in categories I and II determined and defined by regulation 1976-I of the Commission municipale du Québec adopted on 29 December 1976 and amended by regulation 1977-I of the Commission adopted on 21 January 1977 under the Act respecting the Olympics deficit of the City of Montréal and amending the Charter of the City of Montréal (1976, chapter 52). This surtax applies only to the amount of the taxable value that exceeds \$200 000.

Surtax

The city may determine the sectors where it intends to levy the surtax in the case of immovables of category I.

Surtax

This surtax is secured by privilege upon those immovables and the owners are personally liable therefor.

Invalidation
