WHO BEING COME THERETO

The Honourable Speaker of the Legislative Council said:

Honorable Gentlemen of the Legislative Council,

Gentlemen of the Legislative Assembly.

His Honour the Lieutenant Governor does not see fit to declare the causes of his summoning the present Legislature of the Province of Quebec until a speaker of the Legislative Assembly shall have been chosen according to law, but when such choice shall have been made His Honour will declare the causes of his calling the Legislature.

The Legislative Assembly then withdrew:

His Honour the Lieutenant Governor was pleased to retire.

At three thirty o’clock in the afternoon, His Honour the Right Honourable Sir Charles Fitzpatrick, member of Our Most Honourable Privy Council, Knight Grand Cross of Our most Distinguished Order of St. Michael and St. George, Lieutenant Governor of the Province of Quebec, being seated in the Chair on the Throne, the Honourable *Speaker* of this House said: “Gentleman Usher of the Black Rod, proceed to the Chamber of the Legislative Assembly and inform that House that it is His Honor’s pleasure they attend him immediately in the Chamber of the Legislative Council.

Who being come thereto.

The Honourable *J. N. Francoeur* said:

“May it please Your Honor, the Legislative Assembly have elected me to be their Speaker, though I do not feel very able to discharge the important duties assigned me. If in the performance of those duties, I should at any time fall into error, I pray that the fault be imputed to me, and not the Legislative Assembly, whose servant I am, and who through me the better to enable them to discharge their duty to the King and country humbly claim all their undoubted rights and privileges, especially that they may have freedom of speech in their debates, access to Your Honor’s

person at all seasonable times and that their proceedings may receive from Your Honor the most favorable interpretation."

The Honourable *Speaker* of the Legislative Council said:

Mr. *Speaker*,

"I am commanded by His Honor the Lieutenant Governor to declare to you that he freely confides in the duty and attachment of the Legislative Assembly to His Majesty's person and Government, and not doubting that their proceedings will be conducted with wisdom, temper and prudence, he grants, and, upon all occasions, will recognize and allow their constitutional privileges.

I am commanded also to assure you that the Legislative Assembly shall have ready access to His Honor upon all seasonable occasions, and that their proceedings, as well as your words and actions will constantly receive from him the most favorable construction."

His Honor the Lieutenant Governor was then pleased to open the session by a gracious Speech from the Throne to both Houses.

Honourable Gentlemen of the Legislative Council,

Gentlemen of the Legislative Assembly,

I am pleased to see you assembled prepared to enter upon your Parliamentary labours and I bid you welcome.

After four years of terrible warfare Peace reigns once more over the Earth and I invite you to render thanks to Providence for the victory of the Allies which has ended the strife.

Since the last Session of the Legislature, His Royal Highness the Prince of Wales has honoured our Country with his visit. He was nowhere received with greater enthusiasm than in the Province of Quebec. Our people rejoiced in greeting this warm hearted prince whilst showing forth our attachment to the Person of our Sovereign and our loyalty to His Crown.

It is a matter of satisfaction to know that ideas and opinions concerning this Province are undergoing a change. Impartial and right-minded persons admit that it is an economic and moral force for the Dominion alike in its steady progress in every sphere and in the sterling qualities of its inhabitants with their abiding respect for peace, tradition, good order and the rights of property.

Agriculture continues to prosper through the beneficent initiative taken by my Government and the intelligent efforts of the farmers. The

agricultural industry is being modernised and its produce is more abundant. Statistics show that last season was especially fruitful and that the rural districts are more flourishing than ever before.

I have pleasure in calling your attention to the marked improvement in dairy products and to the favourable reputation they enjoy on foreign markets. I also wish to point out the progress made by agricultural cooperation and the good results achieved.

The interest of the Province can be no way better served than by encouraging agriculture and promoting colonization. These objects are closely connected and treated as inseparable by my Government. To enlarge the field of agricultural operations it is proposed to spend \$5,000,000 in providing facilities for settlement of new lands; you will be asked to pass the necessary measures for this purpose.

A railway in the Temiscamingue region has become a necessity and my Government is taking steps to secure its construction.

Work upon Roads was actively carried on during the summer and my Government intends to pursue energetically its programme in this connection.

The building of a bridge over the Batiscan river to complete the Quebec-Montreal Highway will be begun next spring.

You will be asked to consider a bill to facilitate the application of the laws favouring the extension of regional roads.

It has become necessary to amend the Act respecting the Public Utilities Commission so as to give more extended powers to the Commission.

Constant progress is being made in matters concerning education and it is gratifying to note the ever increasing interest in this subject taken by all classes of society.

The Three Rivers Technical School is now finished and students will be able to follow the courses next September. The building of the Hull, St. Hyacinthe and Sherbrooke technical schools will be commenced shortly.

At the recent Congresses held in Ottawa and Washington, the Labour legislation of the Province attracted sympathetic attention. You may rest assured that my Government will, as in the past, endeavour to make it as perfect as possible.

Gentlemen of the Legislative Assembly,

You will learn with pleasure that the fiscal year which ended on the 30th of June last showed a surplus of receipts over expenditure. The estimates for the coming year as well as the public accounts for the past year will be submitted to you.

Honourable Gentlemen of the Legislative Council,

Gentlemen of the Legislative Assembly,

Several Bills will be submitted to you and you will particularly be asked to pass an act respecting joint stock companies.

I am convinced that you will devote to the study of these matters all the attention and zeal their importance calls for.

In conclusion, I pray for your happiness and that of our Province and earnestly beg the blessing of Providence upon your labours.

The Legislative Assembly then withdrew.

And it pleased His Honour the Lieutenant Governor to retire.

The Honourable Mr. *Pérodeau* presented a Bill (A) intituled: "An Act respecting agriculture."

The said Bill was read for the first time *pro formâ*.

The Honourable *Speaker* reported the Speech of His Honour the Lieutenant Governor from the Throne and the same was then read by the clerk.

Ordered, That all the Legislative Councillors present during this session be appointed a committee to consider of the orders and customs of this House and the privileges of the Legislature, and that the said committee have leave to sit in this House when and as often as they please.

The Honourable *Sevérin Létourneau* presented himself at the Bar of the House and placed in the hands of the Gentleman Usher of the Black Rod a commission under the Great Seal of the Province of Quebec summoning him to the Legislative Council.

The Gentleman Usher of the Black Rod placed the commission in the hands of the Honourable the *Speaker*, who ordered that the Honourable Councillor be admitted.
