At three o'clock in the afternoon, His Excellency the Honorable René Edouard Caron, Lieutenant Governor of the Province of Quebec, being seated in the Chair on the Throne, the Honorable the Speaker of this House commanded the Gentleman Usher of the Black Rod to proceed to the Chamber of the Legislative Assembly and acquaint that House, « It is His Excellency's pleasure they attend him immediately in the Chamber of the Legislative Council. »

Who being come thereto,

His Excellency the Lieutenant Governor was pleased to open the Session by a gracious speech from the Throne to both Houses.

*Honorable Gentlemen of the Legislative Council,
Gentlemen of the Legislative Assembly,*

I am happy to meet you again and to be able to profit of your knowledge and experience in the consideration of the important measures which will be submitted to you.

Since last session, I have found it incumbent upon me to accept the resignation of the members of the administration, and to entrust a new ministry with the direction of the affairs of this Province.

You will be called upon in the interest of the public, to institute an inquiry in relation to the exchange of Government property situated near the city of Montreal.

A Bill severe in its enactments against bribery and corrupt practices at elections, will be submitted for your consideration.

The liberal policy adopted by you in relation to railroads, has produced encouraging results, and it is the intention of the Government to continue that policy, in so far as the finances of the Province and the rules of prudence will permit.

Gentlemen of the Legislative Assembly,

The public accounts will be submitted to you, and you will be called upon to grant the necessary supplies.

You will learn with satisfaction that in spite of the increase in the expenses needed for public wants, the state of the finances will show a surplus to be added to that of last year.

I deem it also right to congratulate you upon the success of the mission of the Honorable the Treasurer of the Province to England; the result of that mission will be communicated to you at the proper time.

*Honorable Gentlemen
and Gentlemen,*

The return of a large number of our fellow country-men, and the desire evinced by a still greater number to follow their example, will assuredly be for you a subject of rejoicing, and I have no doubt that you will give your best attention to the measures submitted to you with the object of assisting such return of our country men, as also of favoring such wholesome immigration as may come to us from Europe.

Relying upon your loyalty to Our Gracious Sovereign and upon the patriotic feelings which animate you, I have every confidence that with the assistance of Divine Providence, your labors will assure to this Province, an increase of happiness and prosperity.

TO THE HONORABLE THE LEGISLATIVE COUNCIL OF THE PROVINCE OF QUEBEC :

The Librarian of the Legislature of Quebec, by his present Report on the state of the Library, respectfully sheweth :

That he has completed, as much as possible, the collection of works on constitutional law, either by replacing by new volumes those lost, or in purchasing those heretofore not possessed by the Library.

That the number of volumes acquired during the year now closed is 1,168 volumes. In this number are 52 volumes acquired by exchange, 206 volumes of journals and reviews, and 70 volumes of Canadian pamphlets, most of which are of great value. The total number is now 14,352.

Your Librarian acknowledges with pleasure the more faithful return of books borrowed. It also gives him pleasure to state that 50 volumes have been returned, which he had supposed irrecoverable.

He thinks, however, that it would be better not to permit the issuing of works on Parliamentary law, and especially the treatises on Contested Elections. Those works are retained for a too great length of time ; often they are lost, and few persons can benefit by them ; whereas, if they were kept in the Library, all could consult them.

Your Librarian, in his former Report, had the honor to inform you that, in the evening, certain parts of the Library are not sufficiently lighted. He remarks with regret, that the inconvenience has not been obviated. and that lamps and candles are necessary to find books.

Your Librarian acknowledges the following donations to the Library :

By His Excellency the Lieutenant Governor. « Coutumes du Pays et Duché de Brabant, Quartier d'Anvers, » tome 4, par G. DeLongé ; « English Consulate Reports 1872-3. »

By the Honorable J. G. Blanchet, — « Gazetteer of British North America, » by Lovell.

By the Minister of Public Instruction, France, — « Inscriptions de la France, du 5me au 18me siècle, » par F. de Guilhermy ; « Négociations de la France avec la Toscane, » par A. Desjardins ; « Dictionnaire topographique de la France, Département de la Dordogne, » par le Vte. de Gourgues.

By D. G. Smith, N. B. — « Proceedings of the House of Assembly of New-Brunswick, 1874. »

By Dr. F. E. Roy. — « Rapport de l'Asile d'Aliénés de Québec, 1872-3 ; » « Quebec Lunatic Asylum Report, 1872-3. »

By Duvernay, Frères & Dansereau, — « Souvenir de la St. Jean-Baptiste de 1874. »

By the Hon. W. C. Howell, U. S. Consul, — «Geological Survey of Ohio 1870-73,» and maps, 5 vols.

By the Rector of the Laval University,—«Annuaire de l'Université-Laval, 1874-75.»

By the Literary and Historical Society, Quebec,—«Catalogue of the Library of the Literary Society.»

By the respective Authors :

«Table of the Statutes of the Dominion,» by R. J. Wicksteed.

«McGill College Medals,» by A. Sandham.

«Public debt of the United States,» by W. A. Richardson.

The whole respectfully submitted.

PAMPHILE LEMAY,
Librarian.

The Order of the Day was read for taking into consideration the Speech of His Excellency the Lieutenant Governor, from the Throne, at the opening of the present session.

Which being read by the Clerk,

The Honorable Mr. *Beaudry* moved, seconded by the Honorable Mr. *Sharples* :

1^o That an humble Address be presented to His Excellency the Lieutenant Governor, to thank him for his gracious Speech, at the opening of the present session and for the confidence he expresses in our assistance, and further to assure His Excellency :

2^o That we thank His Excellency for the information he gives us as to the ministerial changes which have taken place since last session.

5^o That we see with pleasure that the liberal policy adopted with regard to Railroads, has produced encouraging results, and that it is the intention of the Government to continue that policy, in so far as the finances of the Province and rules of prudence will permit.

6^o That the return of a large number of our fellow countrymen, and the desire evinced by a still greater number to follow their example will assuredly be for us a subject of rejoicing, and that we will give our best attention to the measures which will be submitted to us with the object of assisting such return of our countrymen, and favoring such wholesome immigration as may come to us from Europe.

7^o That relying upon our loyalty to our Gracious Sovereign, and upon our love of Country, we have every confidence that with the assistance of Divine Providence, our labors will secure for the Province, an increase of happiness and prosperity.

The Honorable Mr. *Ross*, moved, seconded by the Honorable Mr. *Ferrier*, That an humble address be presented to His Excellency the Governor-General, respectfully representing to him :

That one of the sentiments which predominated at the federal union of the British Provinces of this Continent was that of conciliation between different nationalities divided in creed, sentiments and opinions, and that the chief duty of those who are interested in the public welfare of the Dominion should be to eradicate all causes of collision of a nature to produce and continue dissensions, divisions and religious or national animosities.

That the troubles in the settlement of Red River, now the Province of Manitoba, in 1869-70, unfortunately produced a conflict of such a nature as to develop into a rising of a considerable magnitude.

That the leaders of that movement then constituted themselves into a Government, and that one act to be deplored, perpetrated under the assumed authority of that Government, was the execution of one of the subjects of Her Majesty.

That after this execution, representatives of the people of the North-West were received by the Government of the Dominion, which entered into negotiations with them respecting the conditions of the entry of the territory into the Canadian Union, and that a Federal Act sanctioned their demands.

That the delegates, and the people whom they represented at Ottawa, then believed that the result of that delegation implied a complete forgetfulness of the past and of the unfortunate events which had occurred.

That after having passed a length of time in perfect security as to those events, a large portion of the people of Manitoba saw with surprise and sorrow, prosecutions directed against certain persons implicated in those troubles.

That those prosecutions, towards the end of the month of October last, led to the trial and condemnation of Ambroise Lépine, one of those implicated in the movement of 1869-70, and one of the officers of the then Government.

That, while bowing to the verdict rendered against one of the actors in the movement above mentioned, public opinion in that remote Province of Manitoba, as well as in the other Provinces of the Dominion, and even in England, has been strongly impressed with the idea that the deplorable act of violence is so interwoven with the political events of that unhappy period as to render it impossible to assimilate it to ordinary cases of murder.

That a general sentiment of compassion and clemency has extended throughout the Dominion and the Empire in favor of the unfortunate prisoner.

That, with the view of satisfying such sentiment of clemency, and of realizing the ideas of conciliation, peace and tranquillity, which presided over the establishment of the Confederation, and further, with the view of removing all causes of division and hostile sentiments from among the various nationalities of the country, and especially with the view of giving effect to the recommendation to mercy which the Jury coupled with their verdict, His Excellency be humbly prayed to be pleased to exercise in favor of Ambroise Lépine, now under sentence, the Royal Prerogative of mercy, by extending to him grace and pardon.

And the question of concurrence being put thereon, it was unanimously resolved in the affirmative.

On motion of the Honorable Mr. Ross, it was Ordered, That the Honorable Messrs. *Beaudry*, *Ferrier* and the mover be appointed a committee to draft an address founded on the foregoing resolution.

The House was adjourned during pleasure.
After some time the House was resumed, and

The Honorable Mr. *Beaudry* from the said committee, reported an address as follows.

To His Excellency the Right Honorable Sir FREDERICK TEMPLE, Earl of DUFFERIN, Viscount and Baron Clandeboye, of Clandeboye, in the County Down, in the Peerage of the United Kingdom, Baron Dufferin and Clandeboye, of Ballyleidy and Killeleagh, in the County Down, in the Peerage of Ireland, and a Baronet, Knight of Our Most Illustrious Order of St. Patrick, and Knight Commander of Our Most Honorable Order of the Bath, Governor-General of Canada,

MAY IT PLEASE YOUR EXCELLENCY :

One of the sentiments which predominated at the Federal Union of the British Provinces of this Continent was that of conciliation between different nationalities divided in creed, sentiments and opinions, and that the chief duty of those who are interested in the public welfare of the Dominion should be to eradicate all causes of collision of a nature to produce and continue dissensions, divisions and religious or national animosities.

The troubles in the settlement of Red River, now the Province of Manitoba, in 1869-70, unfortunately produced a conflict of such a nature as to develop into a rising of a considerable magnitude.

The leaders of that movement then constituted themselves into a Government, and that one act to be deplored, perpetrated under the assumed authority of that Government, was the execution of one of the subjects of Her Majesty.

After this execution, representatives of the people of the North - West were received by the Government of the Dominion, which entered into negotiations with them respecting the conditions of the entry of the territory into the Canadian Union, and a Federal Act sanctioned their demands.

The delegates, and the people whom they represented at Ottawa, then believed that the result of that delegation implied a complete forgetfulness of the past, and of the unfortunate events which had occurred.

After having passed a length of time in perfect security as to those events, a large portion of the people of Manitoba saw, with surprise and sorrow, prosecutions directed against certain persons implicated in those troubles.

Those prosecutions, towards the end of the month of October last, led to the trial and condemnation of Ambroise Lépine, one of those implicated in the movement of 1869-70, and one of the officers of the then Government.

While bowing to the verdict rendered against one of the actors in the movement above mentioned, public opinion in that remote Province of Manitoba, as well as in the other Provinces of the Dominion, and even in England, has been strongly impressed with the idea that the deplorable act of violence is so interwoven with the political events of that unhappy period as to render it impossible to assimilate it to ordinary cases of murder.

A general sentiment of compassion and clemency has extended throughout the Dominion and the Empire in favor of the unfortunate prisoner.

With the view of satisfying such sentiment of clemency, and of realizing the ideas of conciliation, peace and tranquility, which presided over the establishment of the Confederation, and further, with the view of removing all causes of division and hostile sentiments from among the various nationalities of the country, and especially with the view of giving effect to the recommendation to mercy which the Jury coupled with their verdict, Your Excellency is humbly prayed to exercise, in favor of Ambroise Lépine, now under sentence, The Royal Prerogative of Mercy, by extending to him grace and pardon.

The said address being again read it was unanimously adopted.

On motion of the Honorable Mr. Ross, it was
Ordered, That the said address be engrossed and signed by Honorable the
Speaker of this House.

The Honorable Mr. *Ross*, moved

That an humble address be presented to His Excellency the Lieutenant-Governor informing him that this House has voted an humble address to His Excellency the Governor General, praying that His Excellency be pleased to exercise in favor of *Ambroise Lepine*, now under sentence, the Royal Prerogative of Mercy, and praying that His Excellency be pleased to transmit the said address to His Excellency the Governor General.

And the question of concurrence being put on the said motion, it was resolved in the affirmative.

Ordered, That the said address be presented to His Excellency the Lieutenant-Governor by such members of the Executive Council as are members of this House.

The Order of the Day was read for the second reading of Bill (C) intituled : « An Act to annex l'Île Vaudry, on the River Assomption, to the Parish of St. Paul l'Ermite. »

On motion of the Honorable Mr. *Fraser*, it was
Ordered, That the same be postponed until Monday next.

1st Because the Private Bills Committee could not reconsider this Bill, of which they had never considered or reported upon more than the Preamble.

byterian Church of Canada in connection with the Church of Scotland, has not now and may never have any existence.

3rd Because it was shown to the Private Bills Committee of this Council, that the proceedings of the Presbyterian Church of Canada in connection with the Church of Scotland which were made and held to bring about the proposed union were made and held in direct contravention of the constitution, usages and laws of said Church.

LEGISLATIVE COUNCIL,

Quebec, 18th February 1875.

Signed in presence of *Boucher de Boucherville*, 18th February, 1875. 7.30 P. M.

PROTESTATION.—I protest against the passing of Bill No. 32 intituled : « An Act respecting the union of certain Presbyterian Churches therein named, » for the following among other reasons.

1st Because the Private Bills Committee of this Council proceeded to consider this Bill illegally against which I protested on 16 February instant, in the following terms : « Protestation.—I protest against the taking into consideration of Bill No. 32 « An Act respecting the union of certain Presbyterian Churches therein named, » because the Legislative Council did not give the order for the purpose of reporting the preamble and the evidence and reasons in detail on which they came to the resolution, that the preamble had not been proved, but ordered to reconsider the Bill which does not authorize the Private Bills Committee, to take the preamble in to consideration, and the report of the Committee must stand as it is and cannot be altered. »

2nd Because the Private Bills Committee of this Council, could not reconsider a Bill of which they had never considered or reported upon more than the preamble.

3rd. Because this Bill attempts to deal with, for the purpose of illegally transforming, the Temporalities Fund and other Funds and Properties of the Presbyterian Church of Canada, in connection with the Church of Scotland, which belongs exclusively to, and are inalienable from said Church.

4th. Because the Church to which it is proposed to transfer the said Temporalities Fund and other Funds and properties of the Presbyterian Church of Canada in connection with the Church of Scotland has not now, and may never have any existence.

5th. Because it was shown to the Private Bills Committee of this Council that the proceedings of the Presbyterian Church of Canada in connection with the Church of Scotland which were made and held to bring about the proposed Union were made and held in direct contravention of the constitutional laws and usages of said Church.

6th. Because the whole proceedings in connection with the originating of and promoting the proposed Union have been and are from the preceding and other reasons, illegal and unconstitutional and therefore null and void.

7th. Because the Bill only passed the Private Bills Committee of this Council after several and successive divisions.

1st Because the Private Bills Committee of this Council could not reconsider this Bill of which they had never considered or reported upon, more than the Preamble.

2nd Because this Bill attempts to dispose of the Temporalities Fund of the Presbyterian Church of Canada in connection with the Church of Scotland, which Fund was originally derived from the Imperial Government, or other sources on the sole ground of the said Church being one of the representatives of one of the two national Churches of the empire and the benefits of which were to be exclusively confined to ministers of the Presbyterian Church of Canada in connection with the Church of Scotland whose claims to the benefits of said Fund are to cease when they cease to be ministers of the said Church.

3rd Because the Church to which it is proposed to transfer the said Temporalities Fund and other Funds and properties of said Presbyterian Church of Canada in connection with the Church of Scotland, has not now and may never have any existence.
